

PHOTOGRAPHIC PERMISSION

TO ALL PARENTS AND GUARDIANS

The Country High School Hostels Authority requires colleges to gain parental/guardian permission before using visual images of students such as photographs outside the school environment.

Northam Residential College regularly uses images of students in a variety of ways to recognize excellent achievement, inform parents and the local community of college matters, publicise events and to promote the college. From time to time we may also be asked to contribute to the Country High School Hostels Authority materials such as advertisements, publications and the Authority's internet site. This may result in your child's image being potentially accessed worldwide through the internet.

Accordingly, we request your permission to use any image of your child in some or all of the ways listed below. You are of course at liberty to withdraw your consent at any time by contacting the college in writing.

- . College Websites/CD Roms/Video/Newsletters/Magazine or any medium in relation to college related activities.
- . Promotional material for the Country High School Hostels Authority
- . Articles for newspapers such as The West Australian, Farm Weekly, Countryman and local community newspapers.
